Notable features:

Sallyport between 858 and 860. Number 856 is a shop front of meager design. Number 856 has been formstoned.

These houses should be repaired forthwith or pulled down because their present state blights the view from the outdoor exhibit area planned to be near the train museum.

Environmental context:

Numbers 854 and 856 are vacant, unsightly and in poor shape. (See comments on sheet for 830-852 W. Pratt Street.)
